"My 8-year-old son has gone to Kids Klub summer camp for the past three summers. Each year he looks forward to the brochure with anticipation, as he cannot wait to see what great programs will be offered. Over the years he has participated in specialty camps such as Science Camp and Go-Kart Camp and he has enjoyed the themed weeks of 'regular' camp such as Superhero Week and Olympics Week. Kids Klub provides the most enthusiastic, caring counselors and enriching summer activities, and their safety standards are incredibly high. I would recommend it to anyone." – Jessica B.
