CAMP KIDS KLUB IS EXTREMELY EXCITED TO OFFER 3 GREAT SUMMER CAMP OPTIONS!

Located at our Kids Klub facility in South Pasadena, these programs combine education with Kids Klub's brand of summer fun. Best of all, there are several enrollment options to fit your summertime needs during the weeks of June 20th - July 22nd.

1. ACADEMIC ENRICHMENT CAMP 7:30AM – 12:00PM

These week-long, academic camps provide formal education on a particular subject from the hours of 9:00am-12:00pm. Currently, there are two subjects to choose from: Spanish & Math. Check out our Summer Camp Weeks pages for specific dates! **NEED CAMP UNTIL LATER IN THE DAY? COMBINE THIS OPTION WITH AFTERNOON CAMP! (SEE OPTION 2 BELOW)**

MATH ENRICHMENT CAMP

ENTERING K – 6TH GRADE

Welcome to a fun way of experiencing MATH! Campers will spend the week learning new skills and applying them to real world situations. Taught by a La Cañada Unified School District Teacher, this program will surely sharpen your understanding of money, time, decimals and graphs through exciting activities including cooking, a mock garage sale, and silly science experiments.

You will have fun with fractions by creating new, tasty recipes and explore geometry through hands on activities and games. Let us show you how fun and useful math can be!

Sign up for the afternoon option too, where campers will enjoy awesome summer camp activities!

2. AFTERNOON CAMP 12:00PM – 6:00PM

After lunch, campers will enjoy our renowned summer camp experience. This camp option includes pick-up service from local elementary schools to our campus and a delicious lunch! In Afternoon camp, the fun-filled week will include swimming, field trips, and other exciting activities! It is a great way for your child to have a summer camp experience, while also attending morning summer school sessions.

RANGERS:

ENTERING K-2ND GRADE: Join the non-stop fun with Camp Kids Klub's specially designed program for children entering K through 2nd grade. Age-appropriate activities and trips, and a low staff to camper ratio ensure safe, fun-filled experiences!

EXPLORERS

ENTERING 3RD-6TH GRADE: Get ready for an adventure-filled summer! Camp Kids Klub offers campers entering 3rd, 4th, 5th, and 6th grades a summer packed with new experiences, enriching activities, awesome field trips and much more.

SPANISH IMMERSION CAMP

ENTERING K-6TH GRADE

Do you want the authentic Spanish immersion learning experience for your child during the summer, but do not want to take a big trip? The waiting is over! The beauty is that here at Kids Klub—there is no packing needed, no long airport lines, and your child will experience the sounds, smells and tastes as if they traveled to a Latin country. Campers will get to be silly, creative, and have all the fun of Summer Camp while learning Spanish.

Our campers are not just memorizing words... They are thinking in Spanish and building new neural pathways. Now that is some brainy fun you do not want them to miss!

3. AFTERSCHOOL CAMP 2:30PM – 6:00PM

Providing a shorter, yet still fun-filled time, this camp is ideal for both those children attending neighborhood summer school sessions that dismiss later in the afternoon and for campers looking for a shorter camp day. Transportation from your child's neighborhood school is also included in this option! With trips to Garfield Park, cooking activities, water games, and more, it is the perfect complement to summer school!

Who We Are

Kids Klub was founded in 1995 by husband and wife team, **Michael & Bambi Wojciechowski**. Kids Klub Child Development Centers have become some of the most popular and well-respected childcare facilities in Southern California.

CAMP KIDS KLUB TAKES GREAT PRIDE IN ITS STAFF—

Unified by the belief that safety always comes first, our staff is committed to providing every camper with the most amazing summer camp experience. We have a dynamic team whose diverse collective talents and love for children enable us to offer a limitless array of exciting activities in a safe and nurturing environment. All employees are fingerprinted and background checked by the Department of Justice prior to employment, as well

as CPR and First Aid Certified. Over the course of a month before the start of summer, every counselor goes through several extensive and intensive staff training sessions including a weekend overnight. Training features group case studies, conflict resolution, child psychology, interactive games, teambuilding and clinics in leading and creating activities. Above all, it is our staff's passion and compassion for children that truly sets us apart!

Frequently Asked Questions

WHAT IF I CANNOT PICK UP MY CHILDREN BY 6:00PM OR THE TIME AT WHICH THEIR FIELD TRIP IS SCHEDULED TO RETURN?

Kids Klub Pasadena is open until 10 pm (Monday-Thursday) and Midnight (Fridays & Saturdays.) Thus, if you are ever running late, do not worry at all—your child is in good hands and having a lot of fun! Any campers remaining at Camp at 6:00 pm will be shuttled back to Kids Klub Pasadena to enjoy more activities (and dinner if they are there at 6:40 pm.) The price for this care is \$7.75 an hour charged in 15 minute increments—so you will not be billed for the whole hour if your child is only there for part of it. We have early morning drop-off available as well!

DO I NEED TO PACK MY CHILDREN'S LUNCH?

No. As a matter of fact, you do not even need to feed them breakfast if they are at camp by 8:15 am! All your child's meals (breakfast, lunch and snacks) on both on-site and off-site days are included in the summer camp fees!

WHAT TYPE OF VEHICLES DO YOU USE ON YOUR FIELD TRIPS?

We have the coolest vehicles ever! Most frequently, children will ride on our midsize busses or 15-passenger vans. These vehicles are all air-conditioned with seatbelts and sound systems. Campers also will ride on one of our two large busses that have air-conditioning, sound-systems and DVD monitors.

HOW LONG ARE CAMP SESSIONS AND CAN MY CHILD ATTEND FOR JUST ONE WEEK?

We offer weekly sessions—meaning that you purchase camp by the week. While many campers attend multiple weeks (and some the entire summer), we do have children that attend for a single week—or even a single day. (Day rates are available only for Pre & Post Camps.) We treat every week like the beginning of camp. We focus on teambuilding and making sure that all campers feel comfortable regardless of the number of weeks that they have attended.

IS CAMP KIDS KLUB AN ACADEMIC CAMP?

If you are looking for an academic camp- Kids Klub is excited to offer a brand new Academic Enrichment camp located at our Kids Klub facility in South Pasadena! Our Academic Enrichment camps provide formal education on a particular subject. Campers will experience the joy of learning academic subjects through exciting lessons and activities. For more information on this enriching opportunity please see page 3 of the brochure.

"Kids Klub is our second family, WE LOVE YOU GUYS! Great job with adventure week, swimming, park, scavenger hunt, Shakeys and bowling...Wow, how are you going to top that?... I am sure you will!" – Emilia R.S.

"My son, Chris, is looking forward to his fourth year at Camp Kids Klub. He loves all the field trips, the Destination Science specialty camp, the swim lessons and especially Olympic Week. He even reads the brochure to see what activities are coming up each week. During the school year, we sometimes see some of the summer camp counselors around town or at Kids Klub, and Chris always remembers their names and runs up to them to say hi and give them a hug, and they remember him too! I've watched as he matures each summer, and I know I've made the right choice of summer fun for him when I arrive to pick him up at the end of the day and he says, "Aw, Mom, can you go run some errands and come back later? I want to stay longer!" – Lynn E.
